

oyo

Design that moves.

oyo
The Chair

1) oyo is just right for everywhere:
home, office, lounge, meeting room,
relaxing zone, reading area, atelier,
reception, waiting room, dining room,
conservatory, round the fire, in hotels,
and cool in any adolescent's den.

2) oyo moves: rocks and bounces!

3) oyo has three sitting positions:
forwards, sideways and backwards.

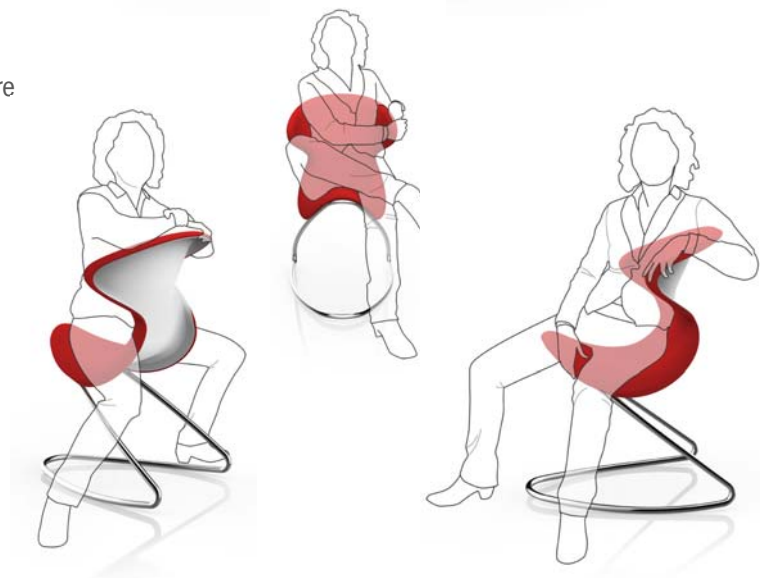

4) oyo is perfect for everything:
feeling good, being comfortable,
cuddling up, moving, taking it easy,
just sitting, rocking, swinging, leaning
back, relaxing, having fun!
