INTRODUCING LEVEL RUG: INSPIRED BY THE CRAFT OF TAILORING

Hand-tufted from 100% wool, Level Rug explores the interplay of textures through varying pile heights, creating a dynamic contrast that complements its monochrome color palette. While the color itself remains consistent, the shifting pile levels give the illusion of a subtle tonal difference, infusing the design with a unique depth and intriguing appeal. Available in Light Yellow and Warm Grey, Level Rug is offered in multiple rectangular sizes and one circular option.
