Pebble Rug

“Pebble Rug is inspired by the sensuous feeling of a pebbled beach with its diverse and tactile surface, inviting you to take off your shoes and walk across it barefooted. With a handwoven structure that references fashion textiles, the Pebble Rug plays with the contrasting materials of its soft, woolen loops, sitting atop a sturdy canvas base in cooling jute yarn. Pebble Rug brings a new perspective to any space through its woolen loops, popping up from the ground like sprouts in a bed of moss, joined by the distinct woven texture of its surface.”

Description	Pebble Rug has a diverse and tactile surface, inspired by the sensuous feeling of walking across a pebbled beach. Its handwoven structure contrasts the feel of its soft, woolen loops with a canvas base in a sturdier wool quality. Pebble Rug has a distinct and modern woven texture for any home, hospitality setting, lobby, hotel space or co-working area.
Material	Pebble Rug is hand-woven from 100% New Zealand wool. Backing in 100% cotton, pasted with synthetic latex which ensures that the rug lays smoothly on the floor. Pebble Rug is made from wool. The color of wool may vary due to the wool’s natural base color. This means that the Pebble Rug can have slight color variations from one rug to the other as a result of the inherent characteristics of wool, enhancing the natural sentiment of the Pebble Rug.
Cleaning & Care	For general care of the rug, we recommend gentle vacuum cleaning on a regular basis. Please use the vacuum cleaner without brush head to avoid tearing of the pebbles. For cleaning of stains or spots, we recommend professional dry cleaning. Avoid cleaning with water, as this will damage the product.
Spare Parts	Rug pads to place under the Ply Rugs are purchased separately. This prevents the rugs from gliding and protects the rug.
Additional Information	Please note that all sizes of the Pebble Rug have a sizing toleration of + / - 2%, meaning that the dimensions of the rug can differ by a maximum of 2%. Please note that Muuto does not recommend placing the Pebble Rug in non-domestic projects where the rug will be exposed to hard use.
