“When we think about the office,
we think about people who work there”

“La Piazza” office - Pigreco

en_If Nucleo in “La PIAZZA” represents the point of aggregation and relationship, Pigreco responds to the operative needs that gravitate around “La PIAZZA”. Private offices, working areas and meeting rooms are furnished to satisfy all the needs of those who live there. Presented also in the Loop leg version, Pigreco responds to aesthetic and functional needs but above all to well-being in the office.

it_Se Nucleo nella PIAZZA rappresenta il punto di aggregazione e di relazione, Pigreco risponde alle necessità operative che gravitano attorno. Uffici privati, aree operative e sale riunioni sono arredate soddisfacendo tutte le necessità di chi le abita. Presentato anche nella versione gamba Loop, Pigreco risponde ad esigenze estetiche e funzionali ma soprattutto di benessere in ufficio.

fr_Si Nucleo représente dans “La PIAZZA” le point d’agrégation et de relation, Pigreco répond aux besoins opérationnels qui gravitent autour “La PIAZZA”. Les bureaux privés, les zones opérationnelles et les salles de réunion sont aménagés pour répondre à tous les besoins de ceux qui y vivent. Présenté également dans la version pied fermé (Loop), Pigreco répond aux besoins esthétiques et fonctionnels mais surtout au bien-être des lieux de travail.

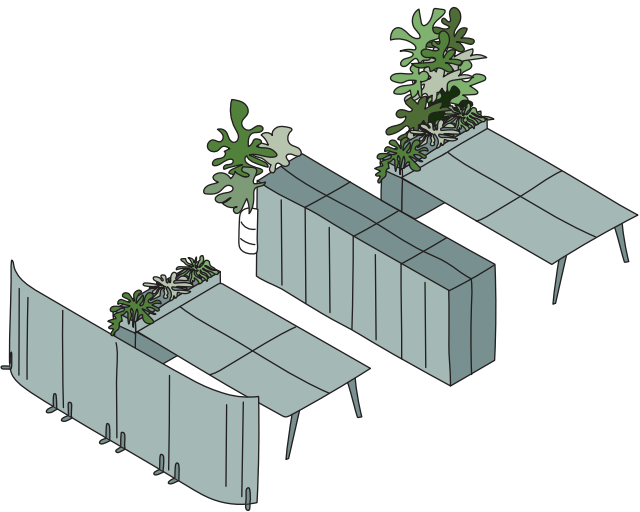

Door Way - Private Office

en_The new workflows that characterize our society, such as integration, synergy and communication management, have suggested new managers to operate in workplaces that allow the development of relations and connections, abandoning thus, the strict separation of space and functions.

it_I nuovi flussi di lavoro che contraddistinguono la nostra società, hanno suggerito ai nuovi manager di operare in luoghi di lavoro che consentono lo sviluppo delle relazioni e della connessione, rinunciando così, alla rigida separazione dello spazio e delle funzioni.

fr_Les nouveaux flux de travail qui caractérisent notre société ont suggéré aux nouveaux dirigeants de travailler dans des lieux qui permettent le développement des relations et connexions, renonçant ainsi à la rigide séparation de l'espace et des fonctions.

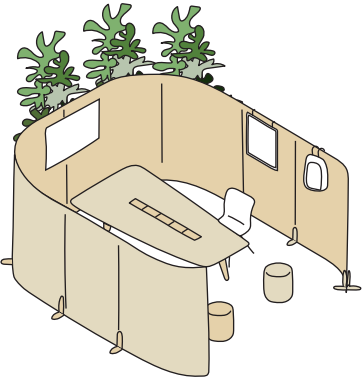

Park - Working area

en_The operative area is the heart of the company and the place where employees work both independently and collaborating with each other; for this reason they need functional and comfortable workstations that allow them to concentrate but also to dialogue and confront each other.

it_L'area operativa è il cuore dell'azienda e il luogo dove i dipendenti lavorano sia in maniera autonoma, sia collaborando tra loro; per questo motivo hanno bisogno di postazioni funzionali e confortevoli che permettano loro di concentrarsi, ma anche di dialogare e confrontarsi.

fr_L'espace de travail est le cœur de l'usine et l'endroit où les employés travaillent soit de manière autonome soit en collaborant en équipe; pour ce motif ils ont besoin de postes de travaux fonctionnels et confortables qui permettent de se concentrer mais aussi de dialoguer et se mesurer.

Gallery - Meeting room

en_Meeting rooms can be sorted into small or large rooms: the first ones allow to organize in private and informal meetings between few people and require compact tables with simple electrification; the large one are wider spaces and make the conversations more formal and important.

it_Le sale riunioni si possono dividere in sale di piccole o grandi dimensioni: le prime permettono di organizzarsi in incontri privati ed informali tra poche persone e richiedono tavoli compatti con una semplice elettrificazione; le altre, essendo più ampie, rendono le conversazioni più formali e importanti.

fr_Les salles de réunion peuvent se diviser en petites ou grandes: les premier permettent de s'organiser en rencontres privées et informels entre peu gens et demandent tables compactes avec une électrification simple; les autres en étant plus amplie rendent les conversations plus formelles et importantes.

Central beam allows a total span of 3600 mm

en_Metal structure composed by a single central beam that allows a total span of 3600 mm without any central supporting element. The base of the central beam provides support of the wire basket and frontal screens leaving the composition clean and essential.

it_Struttura composta da un'unica trave metallica centrale che permette campate fino a 3600 mm senza supporto centrale. La base della trave centrale costituisce l'elemento di supporto per vaschette porta cavi e screen frontali, lasciando la composizione pulita ed essenziale.

fr_Structure composée par une poutre métallique centrale unique qui permet une portée totale de 3600 mm sans aucune élément de support central. La base de la poutre centrale fournit un support pour les bacs passe-câbles et les cloisonnettes frontaux, laissant la composition sobre et essentielle.

Around “La Piazza” - Martex

en_In a city the town square represents the focal point of social life, a melting pot of exchange and interaction. Pigreco range adapts to the needs that circle around “La Piazza”.

it_In una città la piazza rappresenta il punto focale della vita sociale, un crogiuolo di scambi e interazioni. La gamma Pigreco si adatta alle esigenze che ruotano attorno a “La Piazza”.

fr_Dans une ville, la place représente le point focal de la vie sociale, un point de rencontre pour l'échange et l'interaction. La gamme Pigreco est capable de satisfaire les besoins qui tournent autour de “La Piazza”.

Specs sheets

Pigreco structure

en_The Design Concept of Pigreco worked on aesthetics but also on easy assembling and quick installation process that result particularly easy and intuitive. The cable management can be effected when the workstation is completely assembled. We highlight the maximum span of 3600 mm between the side legs.

it_Il Concept Design di Pigreco ha lavorato sull'estetica, ma anche sulla facilità di montaggio ed assemblaggio che risultano particolarmente semplici ed intuitivi. Il posizionamento dei cavi, che di solito viene eseguito a strutture semiallestite, interrompendo così il lavoro di assemblaggio, può essere effettuato, invece, a bench completamente montati. Si evidenziano la luce massima tra le due gambe fino a 3600 mm.

fr_Le Concept Design de Pigreco a travaillé sur l'esthétique, mais aussi sur la facilité d'installation et de montage qui sont particulièrement simples et intuitives. Le positionnement des cables, qui a habituellement lieu à des structures partiellement montées en bloccand le travail de montage, peut être effectuée une fois le bench est complètement monté. En evidence le maximum de décalage entre les deux pieds aux extrémités allant jusqu'à 3600 mm.
