Relevo Rug

“The Relevo rug came to be as it often does; on the drawing board with paper and pencil. We like to create a whole story around a project, this time with a rug that could be a sculpture in its own right, virtually changing the perception of a room. Relevo’s swooping lines were inspired by land art and its sometimes furrowed, hypnotic paths in the soil. Relevo means relief in Latin, emblematic of the rug’s geometric pattern, made by trimming the hand tufted rug in levels and thereby creating a subtle effect of light and shadow, a compelling visual expression.”

Description	Relevo is a soft rug with a distinctly sculptural quality. Its striking graphic pattern is produced by trimming the tufted wool in different levels, thereby creating an eye-catching shadowplay that gives a sense of being two-tone rather than monochrome. The rug’s single rounded corner gives it a unique character, a dynamic expression in any setting.
Material	Made from 100% New Zealand wool, hand-tufted in India. The backing is made of 100% cotton and pasted with synthetic latex, ensuring the rug lays smoothly on the floor. Shedding is a natural occurrence that will decrease over time. Please note that the color of the Relevo Rug may vary depending on the wool's natural base color. Please note that all sizes of the Relevo Rug have a sizing tolerance of +/- 2%, meaning that the rug's dimensions can differ by a maximum of 2%. Relevo does not require a rug pad due to its weight.
Cleaning & Care	For the best care of your Relevo Rug, we recommend regular gentle vacuum cleaning (a vacuum cleaner without a brush head is ideal, as it won't disturb the fibers). Excess material, a natural occurrence, will decrease over time and can be removed with gentle vacuum cleaning. For stains or spots, professional dry cleaning is recommended. Please avoid cleaning with water, as this can damage the product.
