Mousse

Placer multisensorial. **Mousse** es una de las recetas más dulces de **Rafa García**, un amplio programa modular de asientos. De formas puras y equilibradas proporciones, sus suaves volúmenes definen un diseño atemporal más allá de modas efímeras.

Su sentada es su rasgo distintivo pues emula esa textura de diminutas burbujas tan característica del popular postre. Además, al igual que él, desde fuera aparenta un compacto bloque que se desvanece tan pronto lo pruebas. **Mousse** es una invitación a dejarse llevar, transformando la acción de sentarse en una experiencia de descanso y sosiego única. Sus almohadas accesorias ayudan a potenciar esta sensación.

Otro aspecto que lo hace singular es la gran modularidad disponible. Las 2 tipologías de módulos y chaises sumadas a las dos alturas de brazos, los numerosos pufs y los distintos terminales, dan como resultado una infinidad posibilidades que permiten configurar composiciones lineales o angulares casi únicas, adaptándose a las necesidades de cada espacio.

Los detalles suman identidad. Así pues, las patas suscriben la simplicidad formal del modelo, mientras que el hecho de poder lacarla en cualquier color aporta un extra de personalización. **Mousse** introduce también una mesita auxiliar y 3 tamaños de bandeja con 2 alturas distintas, que permiten ser colocados sobre cualquier elemento para aportar un extra de servicio.

A pleasure for all five senses. **Mousse** by **Rafa García** is a wide ranging seating system. Purist in its forms and balanced proportions, the sweet character is expressed through supple visual cues. A timeless look beyond ephemeral fashion.

The seat, fluffy and soft, emulates the texture of air bubbles so characteristic of the popular dessert. **Mousse** is an invitation to let go and be caught, transforming the action of sitting into an experience. The snug fibre and foam interior cocoons us and absorb the din of contemporary living. The scatter cushions help to enhance this feeling.

Another aspect that makes the **Mousse** unique is the varied array of modular elements available. Two types of modules and chaises with two arm heights, along with different poufs and terminals, offer unlimited possibilities to configure linear or angular compositions. This, coupled with an extensive selection of fabrics, means that the Mousse can fit into a wide range of interiors.

The accessories and details add identity to this model. **Mousse** includes an auxiliary table and three tray sizes with two different heights. which can be placed on any element.

EXPLICACION DEL MODELO

Placer multisensorial.

Mousse es una de las recetas más dulces de **Rafa García**, un amplio programa modular de asientos. De formas puras y equilibradas proporciones, sus suaves volúmenes definen un diseño atemporal más allá de modas efímeras.

Su sentada es su rasgo distintivo pues emula esa textura de diminutas burbujas tan característica del popular postre. Además, al igual que él desde fuera aparenta un compacto bloque que se desvanece tan pronto lo pruebas. **Mousse** es una invitación a dejarse llevar y atrapar, transformando la acción de sentarse en una experiencia de descanso y sosiego única. Otro aspecto que lo hace singular es la gran modularidad disponible. Las 2 tipologías de módulos y chaises sumadas a las dos alturas de brazos, los numerosos pufs y los distintos terminales, dan como resultado una infinidad de posibilidades que permiten configurar composiciones lineales o angulares casi únicas, adaptándose a las necesidades de cada espacio.

Una vez más, **Rafa** encuentra la fórmula para elaborar una delicada propuesta y sorprender con gusto a los paladares de los más exigentes gourmets.

DESCRIPTION

A pleasure for all five senses.

Mousse by **Rafa García** is a wide ranging seating system. Purist in its forms and balanced proportions, the sweet character is expressed through supple visual cues. A timeless look beyond ephemeral fashion.

The seat, fluffy and soft, emulates the texture of air bubbles so characteristic of the popular dessert. **Mousse** is an invitation to let go and be caught, transforming the action of sitting into an experience. The snug fibre and foam interior cocoons us and absorb the din of contemporary living. The scatter cushions help to enhance this feeling.

Another aspect that makes the **Mousse** unique is the varied array of modular elements available. Two types of modules and chaises with two arm heights, along with different poufs and terminals, offer unlimited possibilities to configure linear or angular compositions. This, coupled with an extensive selection of fabrics, means that the **Mousse** can fit into a wide range of interiors.

The accessories and details add identity to this model. **Mousse** includes an auxiliary table and three tray sizes with two different heights, which can be placed on any element (arm, back or seat).

Once again, **Rafa** found the formula to cook up a delicate creation for the most demanding palates.

CARACTERISTIQUES

Plaisir multi sensoriel.

Mousse cest un grand programme de canapés modulaires. Formes pures et proportions équilibrées, on remarque immédiatement son doux caractère grâce à ses volumes, indiquant une dimension intemporelle, au-delà des modes éphémères.

L'assise moelleuse et son toucher accueillant, le caractérisent, imitant les toutes petites bulles si caractéristiques de ce dessert traditionnel. D'apparence on pourrait penser à un bloque compact mais le doute se dissipe dès le premier contact. **Mousse** est une invitation à se laisser porter, transformant le fait de s'asseoir en une expérience de repos et d'apaisement unique. Les coussins additionnels aident à augmenter cette sensation.

Un autre aspect de sa singularité est la très grande modularité disponible. Les 2 typologies de modules et de chaises longues, ajoutées aux 2 hauteurs de bras, aux nombreux poufs et aux modules terminaux, donnent une infinité de possibilités qui permet de configurer des compositions linéaires ou angulaires presque uniques, en s'adaptant aux nécessités de chaque espace.

Les détails discrets sont précisément des accessoires qui affirment son identité. Ainsi, les pieds soulignent la simplicité formelle du modèle, tandis que le fait de pouvoir les laquer dans n'importe quelle couleur apporte une touche de personnalisation supplémentaire. **Mousse** c'est aussi une table auxiliaire et 3 dimensions de tablettes avec 2 hauteurs différentes, qui peuvent être accrochées sur n'importe quel (bras, dossier ou assise) afin d'apporter un service en plus.

Une fois de plus, **Rafa García** trouvé la formule pour réaliser une bonne recette et surprendre les palais des plus fins gourmets.
