LJ 4 is a universal counter stool recognised by its clean lines and friendly expression. The stool provides an ergonomically curved seat for maximum comfort at high tables and counters. Fixed on a slender steel frame, the PET Felt seat has a pleasant, soft-to-touch surface that can be complemented with upholstery. LJ 4 comes in a wide range of colours and can be tailored to the needs of any interior. Suitable for informal meeting or dining settings in offices, public spaces, restaurants and bars.

Care & Maintenance

Due to its porous structure, PET Felt can be easily cleaned with water. To remove most stains, it is sufficient to apply a copious amount of water and let it drip through. Do not rub the PET felt surface to avoid excessive pilling. If water is not sufficient, stubborn stains can be removed with professional cleaning products like the James cleaning set.
