INTRODUCING SEAM RUG: INSPIRED BY THE CRAFT OF TAILORING

Hand-woven from 100% wool, Seam Rug draws inspiration from classic tailoring stitching. Available in Grey and Blue, the design features bold, magnified seams in complementary hues, creating a detailed yet understated elegance. The design is crafted using a traditional weaving technique that draws parallels to tailoring textiles.

PRODUCT FACTS

Description
Seam Rug is hand-woven from 100% wool and features a distinctive stitched pattern that draws inspiration from classic tailoring techniques. Available in four different sizes, Seam also comes in two different color options of complementing Grey or Blue tones.

Designer / Year Of Design
Urd Moll Gundermann / 2025

Material
Surface: 100% wool. Warp: 100% organic cotton.

Construction
Seam Rug is hand-woven using a warp of 100% organic cotton and a surface of 100% wool.

Maintenance
We recommend regular cleaning by vacuuming in the direction of the rug's pile. If the rug is in need of washing, this must be done by a professional carpet cleaner. Note that it is considered normal for new rugs to shed.
